

FOODS KRAFT

॥ अन्नम ब्राह्मण, भोक्ता च ब्राह्मण ॥

Food is God.

The Guest who is served is also God.

“FOOD IS THE INGREDIENT THAT BINDS US TOGETHER”

ABOUT US

It is a pleasure to introduce M/s FOODS KRAFT , one of the finest names in Industrial Kitchens.

“FOODS KRAFT” has been set up by a team lead by expert professionals, who has been at CXO level at top rated corporates in India along with a fresh blood professionally qualified for similar domain. The Management has experience of working & managing vast Corporates in their domain in the past. This has helped us to bring a highly professionalism in a sector that is largely unorganized.

At “FOODS KRAFT”, we take pride in aspiring the best meal service provider for corporates. Based on client requirement and need, we design a specific package for them. We use only finest quality ingredients for ultimate customer satisfaction.

VISION

To be the first choice in Food and Beverage services.

MISSION

To create a world class professional, process driven food and beverages company based on corner stone of trust & technology providing differentiated experience to its customers.

FOODS KRAFT is based on three important tenets, openness trust and integrity. We set the highest ethical and professional standard at all times. Our relationship with customers is based on honesty, respect, fairness and commitment to open dialogue and transparency.

It is with these tenets that endeavor to create industry partnerships that demand a great platform with high level of professionalism.

We offer a wide range of catering options to businesses and industries, including cafeteria, canteen, buffet, food court and bespoke menus. Our Products and services are designed to match the food and style of services to the occasion.

Food is cooked and prepared in our own kitchen using fresh ingredients and vegetables of the best quality, ensuring the nutritionally balanced food. We have a team of talented chefs and cooks, who offer delicious food and looks after every provision to prepare the food under extreme hygienic conditions.
